Encouraging the use of innovative learning methods is a vital part of providing an educational program that truly meets the needs of all children. All learners possess areas of strength and areas of weakness and therefore, they express and receive knowledge in many ways. Effective teachers understand the need to differentiate instruction for all students in order for learning to occur. Understanding a student's area of intelligence, learning style, and/or learning preference is one-way teachers can positively impact a student's ability to learn. The role of the teacher is to observe what their students are doing, figure out why they are doing it that way, and to give them the right kind and amount of information and feedback so they may solidify their learning and perform what they have been taught. Students must be able to make sense of what is taught if they are going to apply their learning in other situations.

### **Health and Immunization Requirements**

All children are required to present tangible immunization and health examination documentation prior to admittance to a Florida public school for the first time. As required by Florida Statutes § 1003.22, district school boards must implement the requirements for health and immunizations outlined in this statute. A student who has not completed the required immunizations will not be admitted to school. Parents/guardians are encouraged to contact their medical provider for information regarding the required school entry vaccines. A Florida Certificate of Immunization (DH-680) and (DH-3040) Health Exam must be presented for a student to be admitted to school.

## **WITHDRAWAL/TRANSFER POLICIES AND PROCEDURES**

Only the parent who enrolls the student and completed the Emergency Student Data Form (FM-2733) may withdraw or transfer the student. The parent must bring a withdrawal slip from the sending school, proof of address with the name of the parent and proof of parent/guardian identification. Once these forms have been completed transfer/withdrawal will be executed.

## **LOTTERY PROCESS**

AcadeMir Charter School Elementary South is committed to enrolling a diverse student population and shall abide by the provisions in the Florida Educational Equity Act, Section 1000.05(2)(a), and Florida Statutes that forbid discrimination on the basis of race, national origin, gender, marital status, ethnicity, or disability. The school will admit students of any race, color, nationality and ethnic origin, religion, sexual orientation, or gender. Pursuant to section 1002.33(10)(b)- Eligible Students, the charter school shall enroll an eligible student who submits a timely application unless the number of applications exceeds the capacity of a program, class, grade level or building. In such cases, all applicants shall have an equal chance of being admitted through a random selection process.

Applications will be accepted each year during an open enrollment period and will maintain their capacity at each grade level. Applications will be made available online through our school website and in paper form on the school site. Upon submission of the applications, the information will be reviewed for eligibility. All applications received after the open enrollment period will be placed at the bottom of the waiting list for the respective registering class or grade level in the order they are received. The Registrar will continue to accept all applications and number them as they are received, monitoring the number of applications submitted for each grade level.

If the number of applications exceeds the capacity of a program, class, grade level, or building, a lottery will be held to determine which applicants are admitted. The available capacity will be determined by the number of current students who re-register and the enrollment of the subsequent applicants who have an enrollment preference eligibility status:

1. Students who are siblings of a student enrolled at the charter school.
2. Students who are the children of a member of the Board of Directors of the charter school.
3. Students who are the children of an employee of the charter school.
4. Students who are the children of active-duty members of any branch of the United States Armed Forces. \*

***\*Please note that military preference will not be permitted for CSP subrecipient schools during the term of the grant to comply with federal regulations.***

Based on the available capacity, a drawing will take place until all the slots have been filled and scheduled for enrollment or placed on a numerical waiting list. The lottery of these will be system generated. After the drawing, parents will be notified in writing of their child's acceptance within 20 days of the drawing. These will be distributed to applicants via email and regular mail.

## **STUDENT PROGRESSION PLAN AND PLACEMENT POLICY**

AcadeMir Charter Schools will adhere to the guidelines established in the 2024-2025 Student Progression Plan for Miami-Dade County Public Schools, in compliance with School Board Policy 5410. This policy provides comprehensive guidance to teachers, schools, district administrators, parents, and other stakeholders on the requirements and procedures for student progression from kindergarten through grade 12. According to Florida Statutes § 1008.25(2), each district school board must establish a comprehensive plan for student progression. Detailed information on specific promotion, placement, and retention cases is available in the MDCPS e-handbook, "Student Progression Plan" (SPP). AcadeMir Schools Inc., in agreement with its Board of Directors and Miami-Dade County Public Schools as the authorizing agent, follows the District SPP, which can be accessed in detail at [handbooks.dadeschools.net/policies/93.pdf](http://handbooks.dadeschools.net/policies/93.pdf).

### **Initial Entry Requirements**

AcadeMir Charter Schools will adhere to Miami-Dade County Public Schools Board Policy 5112 - Entrance Requirements, which establishes the admission and registration criteria for students entering school. This policy includes specific details regarding initial entry, proof of age, birth certificate, and verification of residence, as well as health and immunization requirements. Students enrolling from out of state, other districts within Florida, or those who are foreign-born must comply with the same admission and entrance requirements for registration.

### **Enrollment**

All students enrolled in AcadeMir Charter Schools are students of Miami-Dade County Public Schools, subject to applicable policies and entitled to the same rights.

### **Grade Placement**

The grade placement of students registering from within the state, other states, non-public schools, home education programs, or other countries, will be determined by the principal of the receiving school, after an evaluation of the student's record has been made.

Credits should be interpreted so that the requirements for promotion and graduation are not retroactive, provided the student has met all requirements for the grade placement in the school or home education program from which the student is transferring.

### Age Discrepancy

In the absence of educational records or if a student’s records reflect an age discrepancy of two years or more, placement will be according to chronological age. Below is a chronological age placement table. This is the AVERAGE placement according to age. Promotion and retention guidelines found in the Miami Dade County Public School Board Policy 5410 affect a student’s placement. More detailed information can be found at [handbooks.dadeschools.net/policies/93.pdf](http://handbooks.dadeschools.net/policies/93.pdf).

Age of students	Grade Level Assignment
5-10	Elementary School
11	Elementary school or middle school depending on the grade configuration of the school
12-13	Middle School
14	Middle school or high school depending on the grade configuration of the school
15 or older	Senior high school

### ACADEMIC GRADING & PROGRESS

AcadeMir Charter School Elementary South believes that parents must be informed regularly regarding their child’s performance at school. Parents can become a school’s greatest ally in helping to ensure academic success for students. Specific guidelines for grading student performance and for reporting student progress are provided below.

#### Academic Grades

Academic grades are to reflect the student's academic progress based on the standards/benchmarks for the grade level course in which the student is enrolled. The academic grade must not be based upon the student’s effort and/or conduct. The grade must provide for both students and parents a clear indication of each student's academic performance as compared with norms which would be appropriate for the grade or subject. Letter grades shall be used to measure student success in grade K through grade 5 courses with each letter grade corresponding to a specific percentile from zero to one hundred percent. The academic grades of “A,” “B,” “C,” “D,” “F,” or “I” are not related to the student's effort, conduct, attendance or tardiness. The letter grade of “I” will be reserved for middle school use only. Grades in all subjects are to be based on the student's degree of mastery of the instructional objectives and competencies for the subject based on grade level competencies. The determination of the specific grade a student receives must be based on the teacher's best judgment after careful consideration of all aspects of each student's performance during a grading period. In grades 1-5, a common report card grading system is to be used.

When a numerical equivalent to an assigned letter grade of “A”, “B”, “C”, “D”, “F” or “I” is used, the following values apply and shall be communicated to students:

Grade	Numerical Value	Verbal Interpretation	Grade Point Value
A	90 -100 %	Outstanding progress	4
B	80 - 89 %	Above Average Progress	3
C	79 – 70 %	Average progress	2
D	60 – 69 %	Lowest Acceptable Progress	1
F	0 – 59 %	Failure	0
I	0	Incomplete	0

<b>Kindergarten ONLY:</b>			
<b>Grade</b>	<b>Numerical Value</b>	<b>Verbal Understanding</b>	<b>Grade Point Value</b>
E	90 -100 %	Excellent	4
G	80 - 89 %	Good	3
S	79 – 70 %	Satisfactory	2
M	60 – 69 %	Minimal Progress	1
U	0 – 59 %	Failure	0

In authorized semester courses, the student’s final grade will be determined as follows: 50% value for each of two nine-week grading periods. A teacher may administer an assessment at the end of each nine- week grading period. The value of the assessment may not exceed 10% of the grade for each nine-week grading period.

In authorized annual courses, the student’s final grade will be determined as follows: 25% value for each of four nine-week grading periods. A teacher may administer an assessment at the end of each nine- week grading period. The value of the assessment may not exceed 5% of the grade for each nine-week grading period, with a provision for teacher override.

<b>Grade</b>	<b>Point Value</b>	<b>25% Each Quarter</b>	<b>Total Value</b>
A	4	x 2.5	10
B	3	x 2.5	7.5
C	2	x 2.5	5
D	1	x 2.5	2.5
F	0	x 2.5	0

### **Conduct Grades**

Conduct grades are to be used to communicate clearly to both students and their parents the teacher's evaluation of a student's behavior and citizenship development. These grades are independent of academic and effort grades. The conduct grade must be consistent with the student's overall behavior in class and should not be based on a single criterion. The conduct grading system is as follows:

CONDUCT GRADES		
Kindergarten Letter Grades	1 <sup>st</sup> -5 <sup>th</sup> Grade Letter Grades	Verbal Understanding
E	A	Excellent
G	B	Good
S	C	Satisfactory
M	D	Minimal Progress
U	F	Failure

### Effort Grades

Effort grades are utilized to convey both to students and their parents the teacher's evaluation of a student's effort as related to the instructional program. These grades are independent of academic and conduct grades. In assigning an effort grade, the teacher must consider the student's potential, study habits, and attitude.

- **Kindergarten:** Kindergarten students do not receive effort grades. The level of effort may be indicated through various comments on the report card.
- **Grades 1-12:** Three numerical grades are used to reflect effort in grades 1-12.
  1. An effort grade of "1" indicates outstanding effort on the part of the student. The student will, when necessary, complete a task again in order to improve the results. The student consistently attends to assigned tasks until completed and generally exerts maximum effort on all tasks. The student consistently works to the best of his/her ability.
  2. An effort grade of "2" indicates satisfactory effort on the part of the student. All work is approached with an appropriate degree of seriousness. The student usually finishes assignments on time and usually stays on task. The student usually works at a level commensurate with his/her ability.
  3. An effort grade of "3" reflects insufficient effort on the part of the student. Little attention is paid to completing assignments well and/or on time or to completing them in a manner commensurate with the student's ability.

**CURRICULUM**

As a school of choice, AcadeMir Charter School Elementary South believes its focus on the special methods of teaching mathematics, science, and reading will appeal to those students and parents interested in the school’s mission: to provide students with a well-rounded school education, through a challenging program focused on mathematics and science using innovative, reform-based instructional methods in a stimulating and nurturing environment that fosters maximum student achievement. AcadeMir Charter School Elementary South also believes that the curriculum must be well-rounded to encompass the social and cultural development of each student.

AcadeMir Charter School Elementary South curriculum is based on Florida’s B.E.S.T. Standards and encompasses the core subject areas of Math, Reading, Writing and Language Arts, Science, and Social Studies, as well as special area classes of Technology, Foreign Language, Art, STEM and Physical Education.

**HOME LEARNING**

Home Learning Assignments are an important part of learning. Developing the habit of nightly study requires parental help and guidance. This is another way to reinforce what was learned in the classroom and a means of allowing the parents to be a part of our curriculum goals.

Teachers use the following time schedule as a guide when assigning home learning:

Grade K	30 minutes	Grade 3	45 minutes
Grade 1	30 minutes	Grade 4	60 minutes
Grade 2	45 minutes	Grade 5	60 minutes

Those times are a guide and are based on the average child's ability and concentration. Some home learning assignments may take less time and others may take a little more time. Home learning is posted weekly by teachers via the teacher’s website which can be found on the school’s website.

Also, these minutes do not reflect the additional thirty (30) minutes required for reading. Reading is a universal skill that relates to all subjects.

## SPECIAL EDUCATION

AcadeMir Charter School Elementary South ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students with disabilities who are eligible and require special education will have an Individual Educational Plan (IEP). The IEP describes the student's strengths and weaknesses and documents the services and supports the student needs to access a Free and Appropriate Public Education (FAPE) in the least restrictive environment (LRE).

The IEP is a working plan that must be developed by the IEP team at least once every 12 months and reviewed, when appropriate, to revise and address any lack of expected progress toward annual goals, or to consider any new information that has been provided through re-evaluation or by the parent/guardian.

Parent involvement in the special education process is very important. Parents will be asked to participate in the IEP process each year and to consider the need for their child's re-evaluation at least once every three years.

The Individuals with Disabilities Education Act (IDEA) states that parents of a child with a disability have certain procedural safeguards. The *Summary of Procedural Safeguards for Parents of Students with Disabilities* documents all the information about the rights of parents. This notice of procedural safeguards is made available to the parent/guardian, at a minimum, upon initial referral; or the parent's request for evaluation; upon the school district's refusal to conduct an initial evaluation that the parent/guardian has requested; upon each notification of an IEP meeting; upon consent for re-evaluation; upon the school district's receipt of a request for a due process hearing; and any other time the parent/guardian may request to receive a copy.

Other rights that are presented in the procedural safeguard document include, but are not limited to, the right of prior written notice; informed consent; participation in meetings; records, independent educational evaluation, mediation, state complaint; local education agency complaint; due process hearings; resolution meetings; due process; attorney fees; discipline; and private school placement.

As the parent of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

## ATTENDANCE POLICY

Students are expected to assume the responsibility for regular and prompt attendance in each class. If a student is not present in the classroom assigned, he/she will be marked absent, regardless of the reason (school business, committee meeting, band trip, illness, prearranged, etc.).

### **Attendance Defined**

- **School Attendance:** Students are to be counted in attendance only if they are actually present for at least two (2) hours or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.
- **Class Attendance:** Students are to be counted in attendance if they are physically present in class for at least half of the class period, have been excused by the teacher on a class-related assignment, or have been requested by a member of the school support staff for an approved school activity.
- **Tardiness:** A student is considered tardy if he/she is not present at the moment the school bell rings for the class assigned. Note: If a student is not present when attendance is taken but is present later in the school day, that student must be considered in attendance, but tardy, and the absence will be changed. A student who is tardy should never remain on record as being absent.
- **Early Sign-outs:** No student shall be released within the final 30 minutes of the school day. (State Statute 1003.02) Please note, the early release of students causes disruption to academic performance of all students and may create safety and security concerns.

### **Absences**

- Reasonable excuses for time missed at school:
  - Personal illness of the student (medical evidence may be required by the principal for absences exceeding 5 consecutive days). The written statement must include all days the student has been absent from school. If a student is continually ill and repeatedly absent from school due to a specific medical condition, he/she must be under the supervision of a health care provider in order to receive excused absences from school.
  - Court appearance of the student, subpoena by law enforcement agency, or mandatory court appearance.
  - Absence due to a medical appointment requires a written statement from a health care provider indicating the date and time of the appointment and submitted to the principal.
  - An approved school activity (absences recorded, but not reported).
  - Other absences with prior approval of the principal.
  - Attendance at a center under the Department of Children and Families supervision.
  - Significant community events with prior permission of the principal.
  - Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service be observed.
  - Military Connected Students – committed to assist students from military families and will continue to facilitate the development and implementation of policies that directly impact children of military personnel. In an effort to ease the burden of our students who have parents that may be deployed or on “Block Leave,” schools will allow up to a total of 5 days of excused absences each academic year to allow families time together.
  - Death in the immediate family.
  - School sponsored event or educational enrichment activity that is not a school-sponsored event, as determined by the principal. The student must obtain advance written permission from the principal. Examples of special events include public functions, conferences, and regional, state, and national competitions.
  - Outdoor suspension.
  - Appointments for a therapy service provided by a licensed health care practitioner or behavior analyst certified pursuant to Florida law for the treatment of autism spectrum disorder including, but not limited to, applied behavioral analysis, speech therapy, and occupational

therapy.

- Other individual student absences are beyond the control of the parent or student, as determined and approved by the principal. The principal shall require documentation related to the situation.
- Unexcused school absence due to:
  - vacations, personal services, local non-school events, programs, or sport activity.
  - older students providing day care services for siblings.
  - illness of others.
  - non-compliance of immunization requirements unless lawfully exempted.

Absences not included in the excused absences listed above shall be considered unexcused. Any student who has been absent from school will be marked unexcused absence until he/she submits the required documentation. Please note the required documentation must be a doctor's note or a handwritten, signed letter. NO emails or faxes will be accepted. Failure to provide the required documentation within **(3) three school days** upon return to school will result in an unexcused absence. **Unexcused absences do not require that the teacher provide make-up work for the student.** Your effort in the careful monitoring of your child's attendance is appreciated. Please note, after ten (10) absences, each additional absence must be accompanied with a doctor's note.

Any student who fails to attend a regularly scheduled class and has a "no excuse" for the absence should be referred to the appropriate administrator. Disciplinary action may occur, which will include notification to parents/guardians and be added to students' records.

The student will:

- Attend school/classes 180 days each school year.
- Request the make-up assignments for all excused absences/tardies from his/her teachers upon his/her return to school or class within three (3) days. It should be noted that all class work, due to the nature of the instruction, is not readily subject to make-up work; and
- Complete the make-up assignments for classes missed within the equivalent number of days absent. Failure to make up all assignments will result in the students receiving a "Z" on all missed work and it lowers the student's academic and/or effort grade.
- Be reported as present for the school day in order to participate in athletic and extracurricular activities.

The parent will:

- Be responsible for his/her child's school attendance as required by law and stress the importance of regular and punctual school attendance with his/her child.
- Report and explain an absence or tardiness to the school. An original signed letter must be provided to the school within 3 schools days after the child returns to school.
- Ensure that his/her child has requested and completes make-up assignments for all excused absences/tardies from the child's teachers upon his/her return to school or class

Students that are absent (excused or unexcused) are not eligible for perfect attendance certificates that are presented at honor roll assemblies.

### **Tardies**

Students are to be sitting in class by 8:30 a.m. If a student is not present when attendance is taken but is present later in the school day, that student must be considered in attendance, but tardy and the absence will be changed. Attendance and tardiness are documented daily. A student who has 20 or more cumulative tardiness may not be allowed to participate in after school activities for the remainder of the school year and it will be documented within student records.

## **Make-Up Work Policy**

Make-up work shall be accepted for full credit and grade for excused absences. All **make-up** work must be submitted within three days after the return to school.

## **Truancy Information**

A student with patterns of nonattendance will also be referred to the school's Truancy Child Study Team (TCST) to determine the cause of the absences. If a pattern of non-attendance has developed, the TCST must schedule a meeting with the parent to encourage regular school attendance. The parent will receive a letter regarding "The Truancy Intervention Program" which will be used to document notification of truancy to the parent.

Once efforts to enforce school attendance have been exhausted, the TCST will complete the Truancy Intervention Program Referral forms. During this process, parents will be informed that a complaint of truancy will be filed with the Florida Department of Motor Vehicles (DHSMV) for suspension of driving privileges. Please note, Academi Charter School Elementary South is required to submit Truancy Intervention Program Referrals for students between the ages of 6-17, who have 15 unexcused absences within 90 calendar days, not to exceed 25 unexcused absences.

## **DISMISSAL PROCEDURES**

Dismissal for Kinder and 1<sup>st</sup> grade students will be at 2:30 p.m., and dismissal for 2<sup>nd</sup> grade students will be at 3:30 p.m. All parents will be provided at the beginning of the school year, a dismissal decal that will need to be placed on the dashboard of their vehicle. ### **ZERO TOLERANCE POLICY (F.S.1006.13)**

**AcadeMir Charter School Elementary South** promotes a safe and supportive learning environment in schools by protecting students and staff from conduct that poses a threat to school safety. AcadeMir Charter Schools will enforce the Florida Department of Education Zero Tolerance Policy on school violence, crime, and the use of weapons. As an approach to reducing school violence, the intent of the policy is to provide a safe school climate that is drug-free and protects student health, safety, and civil rights. This policy requires the school district to impose the most severe consequences provided for in the Code of Student Conduct in dealing with students who engage in violent criminal acts, such as:

- bringing or possessing a firearm or weapon to school, any school sponsored activity, or on school-sponsored transportation; shall also result in a referral for expulsion and mental health services pursuant to Section 1006.13 F.S.

- lewdness and indecent exposure;
- child abuse;
- robbery;
- robbery by sudden snatching;
- carjacking; and
- home-invasion robbery

A student may also be referred for mental health services if deemed necessary by the threat assessment team. The School is required to collect data about violent incidents involving students during each school year and transmit a report to the District and state. Certain infractions in the Code of Student Conduct may result in criminal penalties as well as administrative corrective strategies.

### **CODE OF STUDENT CONDUCT**

**AcadeMir Charter School Elementary South** is committed to providing a safe teaching and learning environment for students, staff, and members of the community. AcadeMir Charter School will adhere to the guidelines established in the 2024-2025 Code of Student Conduct (COSC) for Miami-Dade County Public Schools. The Code of Student Conduct is used to govern conduct and discipline of all students attending AcadeMir Charter Schools. It is expected that students obey rules while on school grounds, while being transported to or from school at public expense while on the school premises for instruction, and for authorized participation in a school-sponsored activity. During such times, all students are subject to the immediate control and direction of teachers, staff members, and/or bus drivers to whom such responsibility has been assigned by the principal. The Code of Student Conduct (COSC) is aligned with local, state, and federal mandates with an emphasis on promoting a safe learning environment to ensure academic success. The Code of Student Conduct sets the standards of conduct expected of students in a purposeful safe learning environment in which the principles of care, courtesy, civility, fairness, acceptance of diversity, and respect for the rights of others is valued. It also addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures.

Furthermore, it should also be noted that behaviors committed on or off the school campus may be violations of the COSC and may also be violations of Florida law. These violations may result in disciplinary actions imposed by local law enforcement authorities, in addition to those of the school/district. The Superintendent, principals, and other administrators shall assign discipline/corrective strategies to students pursuant to the Code of Student Conduct and, where required by law, protect the student’s due process rights to notice, hearing, and appeal. Students and parents/guardians can access the English, Spanish and Haitian/Creole versions of the

document on the M-DCPS Website located at:

<https://codeofconduct.dadeschools.net/#!/fullWidth/5866> or you may request a copy from your child’s school. Below is a list of behaviors and range of corrective strategies level I-V.

## **ACADEMIC INTEGRITY**

All AcadeMir students are expected to be honest and cheating and/or plagiarism will not be tolerated and will result in an immediate “F” and will be communicated with the corresponding parents right away. As per the MDCPS Code of Student Conduct, “the code of student conduct sets the standards for conduct expected of students in a purposeful safe learning environment in which the principles of care, courtesy, civility, fairness, acceptance of diversity, and respect for the rights of others is valued. It also addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights, and responsibilities of students, addressing student behavior, and disciplinary procedures.

### **What is academic integrity?**

Academic integrity is an ethical code, whereby the student guarantees that all work submitted is the student’s own work

### **Why is academic integrity important?**

When students submit an assignment that is not their own original work, there are two issues involved: Students are earning credit for learning material for which they have not demonstrated mastery; and they may be violating the policies of the school.

### **What are some examples of academic integrity violations?**

There are two kinds of academic integrity violations. One is “plagiarism” and the other is “cheating.”

1. Plagiarism is defined as an act or instance of using closely imitating the language and thoughts of another author without authorization and the representation of that author’s work as one’s own, as by not crediting the original author.
  - a. Some examples are, but not limited to the following:
    - i. Copying and pasting a report from the Internet and representing it as your own work.
    - ii. Using information from an encyclopedia, book, textbook, website, database, etc., without citing the source
    - iii. Using another student’s work in whole or part and handing it in as one’s own
    - iv. Using online translators for assignments and assessments. (ie., AI, ChatGPT)
2. Cheating - To influence or lead by deceit, trick, or artifice or to practice fraud or trickery to violate rules dishonestly.
  - a. Some examples are, but not limited to the following:
    - i. Providing questions/answers/ works to another student
    - ii. Obtaining or attempting to obtain, prior to examination, either copies of used questions or illegal knowledge of such questions
    - iii. Using an electronic device/smartwatch without teacher permission to search for answers at the same time during an assessment.

The emphasis of **AcadeMir Charter School Elementary South** academic honesty policy is on prevention, and on students learning the appropriate skills of citing work from other authors. In the event that students are suspected of classroom cheating, plagiarism or otherwise misrepresenting their work, he/she will be subject to all applicable forms of discipline defined by the administration, which include, but are not limited to:

- Meeting with the school counselor regarding the incident
- A failing grade on the assignment or assessment
- A referral will be sent to administration and recorded on the students’ academic/behavior record
- A parent-teacher conference will be scheduled with the school counselor and/or administration

## **STUDENT'S RIGHTS**

Students have the right to feel safe from threats and bodily harm. Disruptive behaviors are never acceptable, and when they occur, they will result in time out, exclusion from participation in class activities, field trips, suspension, or other disciplinary action. Parents who have a conflict with a student other than their own child and/or parent are requested to speak to the administration. At no time may parents approach any student/parent directly. All students and employees will be treated with respect. Slurs, innuendoes, hostile treatment, violence, harassment or other verbal or physical conduct against a student or employee will NOT be tolerated.

### **Non-Discrimination Statement**

In accordance with federal and state anti-discriminatory laws **AcadeMir Charter School Elementary South** will not discriminate against a student in its school's admission, educational programs, and activities based on race, ethnicity, national origin, creed, religion, gender, age or disability.

## **PARENT/GUARDIAN'S RESPONSIBILITIES**

As a parent/guardian of a virtual school student, it is very important to understand the responsibilities associated with that role. With the many distractions students have today, it can be difficult for some students to set aside time to work on courses when not in school. It is the responsibility of the parent/guardian to encourage the student to manage their time in an effective way. Teachers will keep the parent/guardian apprised of the student's progress and will initiate contact if they fall behind in their coursework.

Parents are expected to supervise and monitor their student's progress throughout the duration of the course. This can be accomplished by accessing the parental account periodically to monitor student progress. Parents should support Academic Integrity. Academic Integrity is one of our core values and one of the most important areas of focus as a learning organization. Students with Academic Integrity make decisions based on ethics and values that will prepare them to be productive and ethical citizens.

You may contact your child's teacher directly via email and/or contact the school office at (305)964-7744 with questions about the course that you may have. When a parent/guardian has a concern about the child's performance or behavior, the parent/guardian should set up a conference with the child's teacher. Parents/guardians should also be aware of the course progression plan that their student is following and use that to help plan for the child's academic and educational future.

## **COMMUNICATION**

Communication is essential for success in any human endeavor. Administration and staff recognize this and will always strive to facilitate open and frequent communication with parents. We ask that you make us aware of any of the following in writing:

- Excessive absences from school due to an illness
- A change in the emergency contact information or authorization to release form

If you have any additional questions or concerns, please make an appointment with the School Counselor, Assistant Principal or Principal. In order to access this tool, the parent must request the PIN Number, in person, from the Main Office. In addition, parents receive communication via the school and class websites, class Dojo and remind 101.

## **Confidential Information**

Parents, guardians, and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals’ access to information in students’ educational records and provide the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student’s records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders. Each school must provide the parents, guardians, or eligible students with annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

No persons, other than school staff, will have access to the information submitted. Submit in writing any changes to your child’s transportation via email, letter, or fax (Note: Must include a copy of parent/guardian state photo ID).

## **THE FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) is a federal law. The intent of this law is to protect the accuracy and privacy of student educational records. Under this law, parents have the right upon request, to inspect, release, and challenge information contained within the student's educational records. Only authorized individuals having legitimate educational interest will have access to a student's educational records. The Board approved directive for implementing the provision of the [Family Educational Rights and Privacy Act](#) is contained in the document "Student Educational Records," and is available [ehandbooks@dadeschools.net](mailto:ehandbooks@dadeschools.net).

FERPA's legal statute citation can be found in the U.S. Code of Federal Regulations for Title 34; (20 USC section 1232g; 34 CFR Part 99). Education records include a range of information about a student that is maintained in schools in any recorded way, such as handwriting, print, computer media, video or audio tape, film, microfilm, and microfiche. Examples are:

- Date and place of birth, parent's address, and where parents can be contacted in emergencies.
- Grades, test scores, courses taken, academic specializations and activities, and official letters regarding a student's status in school.
- Special education records;
- Disciplinary records.
- Medical and health records that the school creates or collects and maintains.
- Documentation of attendance, schools attended, courses taken, awards conferred, and degrees earned;
- Personal information such as a student's identification code, Social Security number, photograph, or other information that would make it easy to identify or locate a student.

Personal notes made by teachers and other school officials that are not shared with others are not considered educational records as long as they are kept private by the maker of the record. Additionally, law enforcement records created and maintained by a school district law enforcement unit are not education records.

Parents are guaranteed the right, upon request, to inspect and review their children's records and to obtain copies of them under federal and state laws. Parents are guaranteed a right of "meaningful" access to copies of their children's records. The parent's rights extend to any lawyer, lay person, or advocate whom the parent authorizes to represent him or her. Access must be granted within 30 calendar days from the initial request.

In accordance with Board policy, a fee may be charged for reproduction of records, unless the imposition of that fee would effectively prevent the exercise of the right to inspect and review the education records. The parent or eligible student also has the right to request a correction of education records which he/she believes to be inaccurate or misleading. Requests are reviewed by the school principal, ESP office, and/or District office and the parent or eligible student is notified of the decision(s).

NOTE: The Florida Department of Education (and all state education agencies) are required to afford parents and eligible students to access educational records the state agency maintains, e.g., state achievement tests.
