

MISSION CONTROL MESSAGE

Greetings, Tiger Space Crew!

As we prepare to launch this school year's mission, we thank you for entrusting us with your young astronauts. Together, we will navigate through cosmic galaxies of knowledge, build friendships that orbit kindness, and equip our crew with the skills to reach for the stars and beyond.

Our **MISSION TO EXCELLENCE** objectives for this year are clear:

- Create a safe, supportive space station for every learner.
- Encourage curiosity that rockets minds to new frontiers.
- Foster teamwork that helps our crew soar to cosmic heights.

Mission Control relies on your partnership to successfully complete this journey. Whether you're helping with homework or cheering on achievements, your support is the guiding cosmic star lighting the way.

We are thrilled to have your young astronauts join our mission and can't wait to **blast off** together into a universe of knowledge, laughter, and endless possibilities. Excellence isn't just our destination – it's our constant orbit, a mission to grow and thrive every day.

Thank you for being part of the **AcadeMir South Tiger Space Crew**. We are eager to journey alongside you and your young space explorers toward the most successful year yet – one that is out of this world!

Clear skies and full throttle ahead,

Captain Rosali Ortega

Principal & Mission Commander
