

EXPLORING EXCELLENCE

Greetings, Tiger Families!

Welcome to AcadeMir Charter School Elementary South, where learning is an adventure and excellence is our destination. We are excited to welcome you and your child to the 2026-2027 school year, a year dedicated to Exploring Excellence through discovery, growth, and achievement.

We are proud to celebrate an exciting achievement as AcadeMir Charter School Elementary South has officially earned an "A" school grade. This reflects the hard work, dedication, and commitment of our students, families, teachers and staff.

As we are preparing to begin a new journey, thank you for entrusting us with your children. Together, we will explore new ideas, build meaningful relationships rooted in kindness and respect, and equip our students with the academic and social skills they need to succeed—both in school and beyond.

Strong partnerships between school and home are essential to exploring excellence. Whether supporting learning at home or celebrating milestones along the way, your involvement is a vital part of your child's success.

We are thrilled to partner with you as we begin a year filled with learning, growth, and opportunity. At AcadeMir Charter School Elementary South, excellence is not just a goal—it is something we explore, practice, and achieve every day.

Thank you for being part of our Tiger family. We look forward to an exceptional school year ahead as we continue Exploring Excellence—together.

Warm regards,
